**Background**

In November of 2020, the NC State University Police Department was awarded reaccredited status by the International Commission of Accreditation for Law Enforcement Agencies. The Commission encourages accredited agencies to compile and make available to the public annual statistical summaries based upon records of Internal Affairs Investigations. Our actions are according to Accreditation Standard 52.1.5 and copies of all standards the department must meet are available from our Accreditation manager located at 2610 Wolf Village Way.

It is the policy of the NC State University Police Department to investigate all complaints from the public and its employees. The department believes it has an obligation to the university community and its employees to thoroughly investigate itself to maintain the trust of those we serve. All complaints are accepted and documented. Complaints may be submitted in person, over the phone, through e-mail, or in writing. Anonymous complaints or complaints from a person who wish their names to be held in confidence will be accepted for investigation.
